# Larry Corsini
Network Admin and Security

## Work Experience

### UX Content Coordinator
*Nature's Sunshine Products, Lehi / Auguest 2020 - Present*

- Utilized CMS platforms (WordPress with Divi builder plugin and Optimizely) to build out and maintain 3+ company websites, and enhance user engagement
- Applied HTML and CSS to meet creative and marketing specifications, and optimizing pages for mobile devices
- Managed product copy and imagery with an in-house product management system, reducing content errors and improving product page load times
- Collaborated with IT team to identify and resolve 50+ bugs, ensuring data integrity and implementing new website features, which increased site functionality overall
- Aided in the redesign of the company's main website, resulting in an increase in user retention.
